

Instructions for your Career Switcher:

1. Cut along the dotted line above
2. Fold the square in half length ways to create a crease and open up flat.
3. Fold the square across the middle as well, to create another crease and open up flat again.
4. Put the colour side face down, and fold the four corners into the middle.
5. Turn the square over, and fold the new corners into the middle
6. Fold it in half so the numbers and questions are in the middle
7. Put your fingers in the slots and push them together.
8. You now have your switcher.

How to Play:

- Pick a colour / career sector
- Open & close the switcher whilst saying the alphabet up until your choice of letter
- Pick a number
- Open & close the switcher whilst counting up to you number
- Open the colour section of your choice where the switcher lands to discover a career!
