# Solve these problems and YOU could be a Doctor!

This is an example of a question taken from an aptitude test that all students have to take before they are accepted into Medical or Dentistry School.

This type of question is an **Abstract Reasoning** question. In the real test you will have 55 of this type of question to answer in 13 minutes. **That gives you 14 seconds to answer every one!**
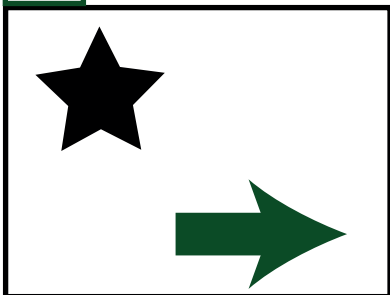

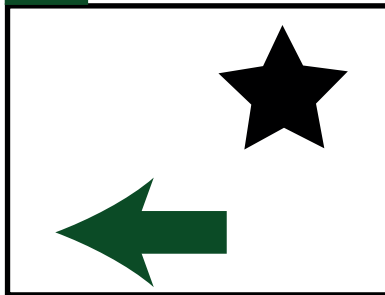

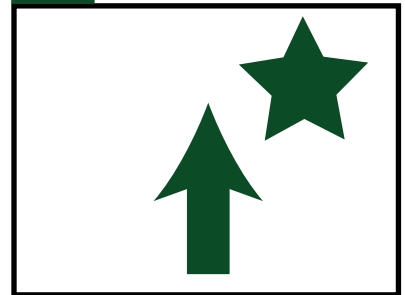

Set 1

Set 2

A

Set 1 ☐
Set 2 ☐
Neither ☐

B

Set 1 ☐
Set 2 ☐
Neither ☐

C

Set 1 ☐
Set 2 ☐
Neither ☐
