### Infrared Vein Scanner

Did you see your veins?

Yes

No

Which colour scan worked best? \_\_\_\_\_

Yes

No

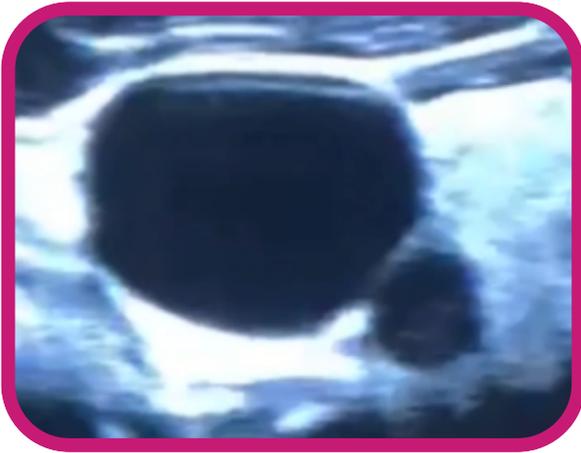

### Pulse Doppler

Did you hear your pulse?

What was your pulse rate? \_\_\_\_\_

## Ultrasound & Blood Vessels in your neck!

This is an ultrasound image of two major blood vessels in the neck. The smaller hole is the Carotid Artery. This is what you can feel when you check the pulse in your neck.

The LARGE hole is the Jugular Vein. To see this vein you need to hold your breath and strain like you're on the toilet having a poo!

### Carotid Artery Ultrasound

Did you see your carotid Artery?

Yes

No

### Jugular Vein Ultrasound

Did you see your Jugular Vein?

Yes

No
